

H2020 and HE cluster meeting for biofuels and biomethane projects

02 October 2023

European Climate, Infrastructure and Environment Executive Agency (CINEA)

AGENDA

08:30 **Registration**

09:00 **Welcome** - Robert GOODCHILD, Head of Unit, Horizon Europe Energy (CINEA)

09:10 **Introduction to the workshop** - Laura GOMEZ LOZANO, Head of Sector, Bioenergy, Fuels and CCUS (CINEA)

LATEST POLICY DEVELOPMENTS:

09:15 **FIT for 55 PACKAGE - The revised Renewable Energy Directive – changes for biofuels and biomass fuels.**

Bernd KÜPKER, Policy Officer, DG ENERGY

09:40 **RE-Power EU: The role of biomethane in the European energy mix - the biomethane industrial partnership**

Galin GENTCHEV, Policy Officer, DG ENERGY

Questions and answers session

10:15 **Coffee Break**

FUTURE FUNDING OPPORTUNITIES:

10:45 **R&D Funding Opportunities in Horizon Europe**

Maria GEORGIADOU, Senior Policy Officer, DG RESEARCH & INNOVATION

11:05 **The Innovation Fund – opportunities for biomethane and biofuels projects**

Javier GARCIA FERNANDEZ, Policy Officer, DG CLIMA

11:25 **Criteria for successful project applications to the Innovation Fund**

Carmen MILLAN-CHACARTEGULI, Project Coordinator, CINEA, Innovation Fund Unit

Questions and answers session

12:00 **Lunch break**

13:00 **Parallel sessions**

Poster session - short presentations focusing on project objectives, concept and methodology (technology, feedstock), available results and up-coming dissemination actions.

Group A: *Biomethane*

Group B: *Advanced Biofuels*

14:30 **Coffee break**

14:50 **HORIZON EUROPE Project synergies - a common dissemination action**

Stefano PROIETTI, Senior Researcher at ISINNOVA

15:10 **ETIP-B2022 – 2025 - support platform for the implementation of the SEP Plan priorities**

Monika ENIGL, Senior Researcher Sustainable Supply and Value Cycles at BEST - BIOENERGY AND SUSTAINABLE TECHNOLOGIES GMBH

15:30 **Discussion on potential synergies/overlaps & opportunities for projects – All participants**

16:15 **Closing remarks - *Laura GOMEZ LOZANO, Head of Sector, Bioenergy, Fuels and CCUS (CINEA)***

16:30 **End of cluster meeting**
